

2022-2023
Lockin 海归实习节

Internships for Global
Talents

A good internship leads to a dream job

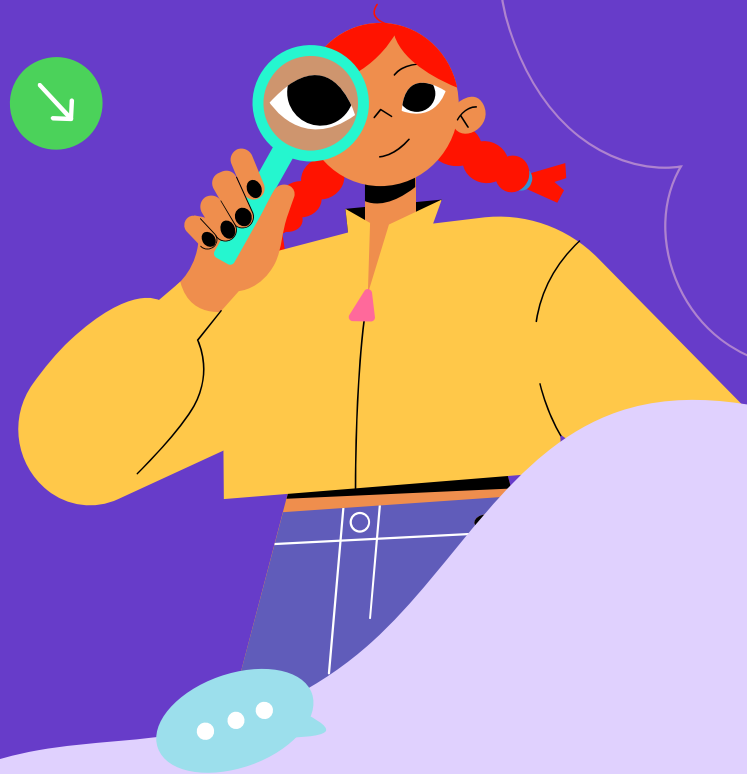

2022.11 - 2023.2

The global employment situation is tense, and more than 80% of employers explicitly require candidates to have internship experience.

Sometimes internship experience can even be the deciding factor in whether a candidate can get an offer.

Lockin is holding the internship career fair during the period of 2022.11 – 2023.2

Gathering internship positions posted by dozens of enterprises

Hundreds of internship positions with Business and STEM backgrounds

Covering all current major hot industries
