

Peer Support Programme

Recruitment of Freshmen

Our mentors are ready to help you become a positive and energetic freshman! Want to know more about UM, adjust to the new environment more smoothly and meet more friends? Join our Peer Support Programme!

- Introduction:** Peer Support Programme (PSP) brings mentors (Year 2 – Year 4 students) and freshmen (Year 1 students) together through activities and gatherings, aiming to help freshmen successfully adjust to the new environment. Through the programme, participants can strengthen their interpersonal relationship, become effective in supporting one another, develop a stronger sense of belonging to and create a caring culture in the University.
- Target Participants:** 144 freshmen (Year 1 undergraduate students)
- Programme Content:** The programme lasts for one academic year. Participants will be divided into groups (each group will be comprised of 2 senior mentors, 8 mentors and 24 freshmen) according to their residential colleges, faculties or majors. Over the year, we will hold large group activities so that participants will get to know one another in the programme. At the same time, small group activities initiated and carried out by each individual group will be encouraged in order to enhance the group-cohesiveness and to deepen the peer relationship.
- Welcome Days:** All selected freshmen **MUST** attend the following Welcome Days.
