## KPMG Graduate Programme – Audit – Macau

KPMG is a global network of professional services firms providing Audit, Tax and Advisory services to many of the world's foremost companies. We operate in 144 countries and territories and have more than 236,000 people working in member firms around the world. KPMG China has offices located in 30 cities across China, with around 14,000 partners and staff.

Joining KPMG means that you will become an integral part of a multi-disciplinary team to help our clients excel in the changing market environment. You will enjoy world-class training and tailored career development to help fulfil your potential. You will also be motivated to learn new things every day and work with some of the best talents around the world. Our reputation as a leading professional service provider is reinforced by the wide range of awards KPMG has received over the years as the employer of choice, for our strong community involvement and our wealth of knowledge in the professional industries. We are looking for top students who are passionate, committed, and eager to succeed - all degree disciplines are welcome.

### **Audit**

Our Audit professionals are never short of exciting projects. Essentially, we make use of data and analytics to give clients our view on whether their financial statements are a 'true and fair' reflection of reality.

In this technology driven era, our digital auditors focus on transforming our current audit practice into a tech-enabled process that fully utilises our data and analytics capabilities which frees us up to focus on client relationships and added value.

### **Benefits of working at KPMG**

KPMG offer many benefits to our staff, including:

- Opportunity to work with risk, accounting, and tax professionals in diverse and exciting roles
- Have a supportive global network of actuaries (UK, Europe, US, Asia and Australia) that works together to serve our multinational clients
- A multinational and experienced leadership team that provides on-the-job support and coaching
- Training programmes developed through KPMG Business School
- Sponsor conversion programme and study leaves
- Dynamic working environment with regular team events and fun activities
- Clear career paths with great progression and promotion opportunities
